

## **MOX Participates in the 2011 Heart Walk**

Shaw AREVA MOX Services employees raised more than \$16,000 to date for the American Heart Association's 2011 CSRA Heart Walk held on March 5. The 30 members of the MOX Heart Walk team raised contributions from co-workers, family and friends.

The American Heart Association recognizes "superstars" who raise \$1,000 or more. MOX Superstars at this year's walk were Kelly Windon, Thakor Desai and Jim LaClair. Kelly Windon is positioned to be the top fundraiser in the CSRA, raising more than \$8,000 in the walk.

In addition to participation in the walk by employees, MOX Services was a Heart Walk sponsor.

The American Heart Association will hold an awards ceremony later this year when final results will be tabulated and awards will be presented.

For the third year in a row, Natalie Redd, MOX fitness coordinator, was the MOX company captain for the Heart Walk.

MOX Services employees prepare for the 2011 Heart Walk at the Greenway in North Augusta.
